House Visitation

The house visitation aims to connect with them personally, strengthen community bonds, and address their individual needs and concerns.

By visiting members in their homes, the program seeks to foster open communication, offer spiritual and emotional support, and better understand their unique situations and needs. This effort reflects the commitment to nurturing a caring and inclusive environment, where each member feels valued, heard, and supported in their journey.

Food Giving

The children were delighted with the food-giving activity, as it provided healthy meals, brought smiles, warmth, and a sense of community, making the day truly special for everyone involved.

Healthy and
Yummy Foods!

Cooking

Parents cooking food for the CCA children is a heartfelt way to contribute, ensuring the children receive healthy meals while fostering a sense of togetherness and support within the community.

The parents are eager to cook healthy food for the CCA children, excited to contribute to their well-being and show their care.

Education

Education plays a crucial role in equipping CCA children with knowledge, skills, and values that enable them to grow, lead, and make positive contributions to their community.

The children had a wonderful time in class with Teacher Mildred, who made learning exciting and engaging by using fun activities and meaningful lessons that inspired them to grow and explore new ideas.

Vitamins

Vitamins are essential for maintaining good health, supporting growth and development, boosting the immune system, and ensuring the overall well-being of CCA children.

Mass

Attending Mass is an important activity for CCA children, as it provides an opportunity for spiritual growth, reflection, and fostering a sense of community and faith.

Mass provides them with a chance to reflect on their values, strengthen their sense of belonging, and deepen their understanding of compassion and kindness.

Playing Together

Playing together is important as it helps children develop social skills, learn teamwork, build friendships, and improve their emotional well-being, all while having fun and creating lasting memories.

Playing together is a great way for children to spark their imagination, solve problems, and grow stronger bonds with others, all while having fun and learning new things in the process!

Giving of Rice

Sharing the gift of rice to nourish and support the CCA children, because every grain counts in building a healthier, stronger community!

Giving of rice is a generous act that provides CCA children with a vital source of nutrition, ensuring they have the energy and strength to thrive while fostering a spirit of sharing and community.

Holy Rosary/Prayer

It helps them develop a habit of prayer and reflection, creating a foundation for moral values and spiritual growth that they can carry with them throughout their lives.

The Rosary is a powerful prayer practice that allows individuals to reflect on the life of Jesus Christ and the Virgin Mary. It is a significant part of Catholic tradition, helping CCA family connect with their faith, deepen their spirituality, and build a stronger relationship with God. Through its repetitive prayers and meditations, the Rosary also teaches patience, focus, and devotion.

Medical Check-Up

The medical check-up for CCA children is an important initiative that ensures their health and well-being are prioritized.

This activity also helps educate the children and their families about the importance of maintaining good health through proper hygiene, nutrition, and regular medical visits. It reinforces the community's commitment to supporting the children's physical development, ensuring they can thrive in their daily activities and future endeavors.

Japanese Visitors

The Japanese visitation to the CCA is an opportunity for cultural exchange, where the CCA children and members get to interact with Japanese visitors, learn about their traditions, and share experiences.

Relationship between the Children and their Mother

Honoring the warmth and guidance of motherhood, this program creates opportunities for children and mothers to deepen their connection through shared experiences and heartfelt moments.

Outreach

This collaboration not only benefits the CCA community but also enriches the LISAI students' understanding of social responsibility and the value of giving back to the community.

The LISAI students' outreach for the CCA children is a meaningful initiative that bridges the gap between different student communities, fostering a spirit of solidarity and support. Through this outreach, LISAI students engage with the CCA children, offering their time, knowledge, and resources to create a positive impact in the lives of the young learners.

CCA Outing

The CCA outing is a special event that provides the children with a chance to step outside their usual environment, explore new places, and enjoy fun, recreational activities.

The children and parents are happy as they enjoy the swimming pool outing, laughing, playing, and making new memories with their friends. The experience brings them joy and excitement, while also giving them a chance to relax and have fun in a refreshing environment.

Christmas Party

The Christmas party for CCA children is a festive celebration filled with joy, laughter, and a sense of community. It's a time for the children to come together, share gifts, enjoy delicious food, and participate in fun activities, creating lasting memories.

Celebrating Jesus during the Christmas party is a meaningful reminder of the true reason for the season. For the CCA children, it's an opportunity to reflect on Jesus' birth, His teachings of love, kindness, and compassion, and the joy that comes from following His example.

THANK YOU, BENEFACTORS

FOR YOUR UNWAVERING SUPPORT AND GENEROSITY. YOUR KINDNESS HAS MADE A SIGNIFICANT IMPACT ON OUR JOURNEY, ENABLING US TO PURSUE OUR GOALS WITH HOPE AND DETERMINATION. THROUGH YOUR CONTRIBUTIONS, YOU HAVE NOT ONLY PROVIDED RESOURCES BUT ALSO INSPIRED US TO STRIVE FOR EXCELLENCE AND GIVE BACK TO OTHERS IN THE FUTURE. WE DEEPLY APPRECIATE YOUR BELIEF IN CCA.
